ST
COLUMBA'S
SCHOOL

Since 1897, St Columba's School has delivered excellence in education and is recognised as one of Scotland's highest achieving schools.

Each generation of pupils and their families have benefited from the vision and generosity of donors from the wider St Columba's community.

Currently 8% of our pupils receive financial assistance and it is our ambition to continue to grow our Bursary Programme. Achieving this goal will mean we can support a larger number of bursaries and offer better opportunities to even more children in the West of Scotland.

Further to the completion of the Girdwood Building, finished to the highest standards of functionality, design and quality, we are working on a phased programme to improve the facilities of our campus. This will include the provision of a Wellbeing Centre that will offer increased medical and pastoral care to our pupils.

We need your help if we are to achieve our aspiration of significantly increasing the number of bursaries, improving the facilities and increasing the breadth of the pupil experience within and beyond the classroom. The St Columba's Foundation is something everyone can support. Your help will ensure that St Columba's School remains one of Scotland's highest achieving schools, delivering the very best education and preparing young people to be fine ambassadors for their School, community and country.

We invite all of our parents, former pupils and friends of the School to take part. A gift of just £20 per month, for example, over five years (with Gift Aid) will add up to £1,500!

We are committed to the future of St Columba’s

The generosity of previous generations has made it possible to continue the exceptional quality of education that St Columba’s can offer its pupils today. Ongoing support from the entire School community will ensure that St Columba’s continues to flourish, offering a first class education to both current and future generations of pupils.

Please help us achieve our vision by donating to the St Columba’s Foundation. You can choose how your money is used.

Bursaries	The Wellbeing Centre	Where School needs it most
<p>■ By contributing to bursaries you give young people who display ability and drive the opportunity to benefit from a St Columba’s education, irrespective of background and income. The financial assistance is means-tested and ranges from support with whole fees and partial fees to temporary assistance.</p>	<p>■ In session 2017/2018 we are seeking support to create The Wellbeing Centre at Senior School, a purpose-fitted facility in the main building, which will allow us to improve the provision of medical and pastoral care to our pupils.</p>	<p>■ You may choose to allocate your gift to wherever School needs it most. This will give the Rector and Governors maximum flexibility to apply funds to where they feel the need is greatest, ensuring the maximum benefit to our pupils.</p>

Giving to the Foundation

The St Columba's Foundation provides donors with an opportunity to support bursaries and smaller projects on a regular basis. Your commitment to supporting St Columba's can be demonstrated by a one off donation, or alternatively, by giving a manageable amount that you are most comfortable with either monthly, quarterly or annually. In the table below, you can see how the joint effort of a number of donors provides a considerable sum of money.

Donors	Amount	Frequency	Duration	Benefit to the school with Gift Aid
150	£10	Monthly	1 year	£22,500
100	£25	Monthly	1 year	£37,500
50	£100	Monthly	1 year	£75,500

Donations of all amounts are encouraged and most gratefully received as all gifts will make a difference.
