

Careers at St Columba's – We Need Your Help

At various times in the year we invite external guests to take part in a number of events which form part of the careers programme on offer to St Columba's pupils. These include:

- SVI Careers Breakfast (September)
- SII Careers Forum (December)
- SVI Motivational Weekend (January)
- SV Careers Breakfast (June)
- Careers Library Talks (Bi-Monthly)

We are always pleased to hear from parents, former pupils and friends of the School who can give the pupils the benefit of their personal experience of careers and the working world.

If you are able and willing to support us with any of these events please complete and return the attached proforma to Graeme Robertson (Careers Co-ordinator), St Columba's School, Duchal Road, Kilmacolm PA13 4AU

or email him at grobertson@st-columbas.org
