

Parents of Nursery to Senior VI

27th April 2010

Dear Parent

Annual Presentation – Wednesday 12th May 2010 in the Senior School Hall at 6.30pm

The Annual Presentation to parents will take place, as indicated on the School Calendar, on Wednesday 12th May at 6.30pm in the Senior School hall. This will be followed by the Parents' Association Annual General Meeting.

The presentation will focus on the next stages of our plans for the renovation of the Senior School building and our hopes for an extension to the Senior School on land adjacent to the rear of the School at Milton Wood. The Chairman of the Board and Governors most directly involved with taking forward these plans will lead the presentation. Thereafter, should time permit, Mrs Cook and I will report on this session's developments and plans for next session.

I do hope that you will be able to join me and look forward to seeing you on the 12th.

With best wishes.

Yours sincerely

Rector

Annual Review Presentation : 12th May 2010
