

To Parents of SIV, SV & SVI

September 2009

Dear Parent

SQA Examination Past Papers

In past years, different subjects have taken different approaches to the procurement of past papers with some having sold past papers to pupils, whilst others advised pupils to make their own arrangements. From this session onwards the same approach will be used by all subjects: pupils will be asked to purchase the papers themselves. The option of online ordering makes this very straightforward. I list below the papers which candidates require to purchase as soon as they are available.

Subject	Year Group	Grade
English	SIV SV	Intermediate 2 Higher
French	SIV	Standard Grade – Credit
Mathematics	SIV SV SVI	Standard Grade – General Standard Grade – Credit Higher Advanced Higher
Biology	SIV SV SVI	Standard Grade – Credit Higher Advanced Higher
Chemistry	SIV SV SVI	Standard Grade – Credit Higher Advanced Higher
Physics	SIV SV SVI	Intermediate 2 Higher Advanced Higher
Geography	SIV	Standard Grade – General/Credit
History	SV SVI	Higher Advanced Higher
Graphic Communication	SIV SV	Standard Grade Higher
Product Design	SV	Higher

Please note that the sole publisher of official SQA past papers is **Bright Red Publishing**. Orders can be made online at www.brightredpublishing.co.uk or by telephone 0131 220 5804. Past papers are also available from Amazon: www.amazon.co.uk Please note that other publishers offer Practice Past Papers which the School does **not** ask pupils to purchase. I understand from the publisher that past papers are currently in the process of being printed. Please place orders as soon as possible; papers will be sent out as they become available.

Yours sincerely

Rector
