

June 2009

Dear Sir/Madam

Promote your Company in the St Columba's School Magazine.

On behalf of St. Columba's School Magazine Committee, please find enclosed information regarding advertising in this year's issue, which will be published in November 2009. The magazine is printed in full colour and is distributed to all parents of children attending St Columba's. Further to this, copies are sent out to an ever-expanding database of former pupils. Copies are prominently displayed and available for reading in all our main reception areas within both the Junior and Senior Schools.

Full Colour – Low Rates.

We provide advertisers with an opportunity to promote their company within this prestigious publication in a range of advertisement sizes, all in full colour. Please see the attached sheet for further information. Our business card size is particularly good value for smaller companies, while larger organisations will find our full page colour space a cost effective way to reach an exclusive customer base.

Advertising Copy and Deadline.

We would prefer to receive your advertisement ready to print and we should receive all the required information by **21 August 2009**. Should you require help in creating your advertisement, please inform us at the time of booking.
